CHAPTER 2

RULES RELATING TO THE BUSINESS & PROCEEDINGS OF THE COMMISSIONER AND CHIEF CONSTABLE

1. MEETINGS TO WHICH THESE RULES SHALL APPLY

- 1.1. The Commissioner and Chief Constable have established a joint governance structure. Part of this structure includes a Joint Management Board and Scrutiny Board. These Rules shall apply to such meetings and the Commissioner and Chief Constable shall comply (and ensure compliance) with these Rules in relation to the conduct of such meetings. They shall also apply to the Commissioner's Quasi-Judicial meetings. The ordinary meetings of the Commissioner and Chief Constable are Management Board Meetings, Scrutiny Board Meetings and also in the case of the Commissioner Quasi-judicial meetings.
- 1.2. Joint Management Board meetings will enable the Commissioner and Chief Constable to make strategic and significant decisions relating to the discharge of their role and functions in each others presence.
- 1.3. Public Scrutiny Board meetings will be held to enable the Commissioner to hold the Chief Constable to account for the provision of an efficient and effective police service in Cheshire.
- 1.4. Quasi-judicial meetings will be held to consider any human resource or complaints matters, including where the Commissioner is the final arbiter or appellate body. Relevant professionals will be in attendance to provide advice to the Commissioner as required.
- 1.5. In addition to ordinary meetings, there may be matters of such importance that the Commissioner wishes to establish a special task and finish group. In such cases, it will be a matter for the Commissioner to determine the terms of reference, membership and who should be asked to attend. In establishing a task and finish group due regard must be had to the Policing Protocol and the operational independence of the Chief Constable.
- 1.6. A Joint Management Board shall be held at least once per financial year to provide the Commissioner (in conjunction with the Chief Constable) a structured opportunity to review the joint governance structure including any delegations or consents, terms of reference, and appointments to external bodies.
- 1.7. The joint governance structure will also have opportunities where the Commissioner and the Chief Constable will meet from time to time to receive (or provide) briefing or to discuss policy issues, policy formulation, or development. Such meetings do not constitute part of the formal decision making structure and so are not governed by these Rules.

2. DATES OF MEETINGS

2.1. The dates and times of meetings will be set or varied by the Commissioner in consultation with the Chief Constable and published on the website.

2.2. In addition to the dates of meetings agreed by the Commissioner, an extraordinary Joint Management Board meeting may be required by:-

- (a) The Commissioner; or
- (b) The Chief Executive (Monitoring Officer) or Chief Finance Officer (Section 151 Officer) of the OPCC; or
- (c) The Chief Constable or Chief Constable's Assistant Chief Officer (Section 151 Officer) or the Head of Legal Services (Monitoring Officer) in performance of their statutory duties.

3. THE COMMISSIONER'S SCHEME OF DELEGATION/CONSENT, FINANCIAL REGULATIONS AND RULES RELATING TO CONTRACTS

3.1. The Commissioner's Scheme of Consent/Delegation, Financial Regulations and Rules relating to Contracts and the Chief Constable's Scheme of Financial Delegation and associated documents will be subject to adoption, and may only be amended, at a Joint Management Board Meeting.

3.2. The Commissioner has exercised his powers to delegate a number of matters to certain named officers, and has given his consent to the Chief Constable taking such actions as are set out in the approved Scheme of Delegation/ Consent. The Commissioner may withdraw such delegations / consent at any time at his absolute discretion.

4. AGENDA FOR MEETINGS

4.1. The Commissioner may put on the agenda of any meeting any matter which he wishes relating to the discharge of his functions, following discussion with the Chief Executive.

4.2. The Chief Executive, Chief Finance Officer of the OPCC and the Chief Constable, Deputy Chief Constable, Assistant Chief Officer and the Head of Legal Services may include an item for consideration on the agenda of any meeting.

4.3. The Commissioner (or Chief Constable where such decision falls within his powers to consider and take) may decide to accept an urgent item on to the agenda where in their opinion, the item should be considered as a matter of urgency because of special circumstances which shall be specified in the notes of the meeting.

4.4. As soon as practicable before a meeting, the Office of the Police and Crime Commissioner will make copies of the agenda available via the Commissioner's

website. Part one reports will be made available on the Commissioner's website within three working days of approval.

5. PRESIDING AT MEETINGS

- 5.1. The joint governance arrangements envisage that the Commissioner and Chief Constable shall work in partnership, and adopt a collaborative approach whilst considering and deciding matters within their legal competence in each others presence. These rules of procedure do, however, require certain powers or discretions to be exercised by the person presiding. On this basis the assumption shall be that the Commissioner shall act in this role (recognising that in such role he shall not in any way fetter, or otherwise interfere with the powers and duties of the Chief Constable as a corporation sole), unless the Commissioner and Chief Constable agree that it would be conducive due to the nature of the business to be transacted for the Chief Constable to preside.
- 5.2. Where the Commissioner is absent from a meeting, the Deputy Police & Crime Commissioner (if appointed) or the Chief Executive will act as the person presiding, but shall not take any decision on matters reserved to the Commissioner in accordance with Rule 6 and shall act and discharge such role in accordance with paragraph 5.1.

6. MATTERS RESERVED FOR DECISION

- 6.1. In accordance with Section 18 of the Police Reform and Social Responsibility Act 2011, the following matters shall be reserved for decision by the Commissioner:

 - (b) Determining police and crime objectives;
 - (c) Attendance at a meeting of a Police & Crime Panel in compliance with a requirement by the Panel to do so

- 6.2. Whilst the Commissioner may delegate certain functions to the Deputy Police & Crime Commissioner, the Commissioner may not arrange for the Deputy Police & Crime Commissioner to exercise the following functions:
- (a) Issuing a Police and Crime Plan;
 - (b) Appointing and suspending the Chief Constable or calling upon the Chief Constable to retire or resign; and

- (c) the approval or amendment of strategies and policies which will have a significant impact upon the people of Cheshire.

8. MANAGEMENT DECISIONS

8.1. Management decisions are those decisions within existing budget, strategy or policy and will be made by the Commissioner outside of the formal Joint Management Board structure where the decision cannot wait until the next meeting of the Board. A log will be maintained within the Office of the Police and Crime Commissioner of such decisions. All Management Decisions taken will be reported to the next available Board meeting for information, as well as being published on the Commissioner's website to ensure open and transparent decision making (subject to publication of information provisions set out in Schedule 1).

9. RIGHTS TO ATTEND MEETINGS

- 10.2. This rule does not apply to meetings, whose sole purpose is for officers to brief the Commissioner. For the purpose of this rule such a briefing is not a 'meeting'. Nor does this rule extend to early decisions where the Commissioner may decide to narrow the options under consideration provided

that a final decision relating to a matter of significant public interest [see the Specified Information Order] is not decided at that meeting [see also Rule 1.7].

10.3. Decisions may only be taken at a Joint Management Board Meeting provided that the Chief Executive and/or Chief Finance Officer (or their nominated deputies) are present, and where the Chief Constable or Deputy Chief Constable is in attendance, the Constabulary's Assistant Chief Officer (or their nominated deputies) are present and/ or have provided their advice in writing on the business to be transacted and there is an officer present with responsibility for recording and publishing the decision in accordance with Rule 12.

13.2. 'Confidential information' means information given to the Commissioner or Chief Constable by a Government Department on terms which forbid its public disclosure or information which cannot be publicly disclosed by Court Order.

13.3. 'Exempt information' means information falling within the statutory categories (subject to any condition) described in Schedule 1 to these Rules.

13.4. Where the meeting will determine any person's civil rights or obligations, or adversely affect their possessions, Article 6 of the European Convention on Human Rights and the Human Rights Act 1998 establishes a presumption that the meeting will be held in public unless a private hearing is necessary for one of the reasons specified in Article 6.

GUIDANCE: EXEMPT INFORMATION

The Freedom of Information Act 2000 and, specifically in relation to individuals, the Data Protection Act 2018 provides a number of categories of information (listed below) which may be considered exempt from the requirement to provide the public or individuals with papers relating to meetings. (Legal advice should be obtained if an individual seeks access to information within reports etc and is seeking to rely upon the Data Protection Act)

PUBLIC INTEREST TEST

A number of the categories require that the information can only be treated as exempt information if, in all the circumstances of the case, the public interest in maintaining the exemption outweighs the public interest in disclosing the information.

The term 'public interest' is not defined but, put simply, the test is whether it "serves the interests of the public better to maintain the exemption or to disclose the information".

There is a presumption running through the Freedom of Information (FOI) legislation; that openness is in itself to be regarded as something which is in the public interest. The Information Commissioner has identified a number of public interest factors which encourage the disclosure of information, including the following:

- furthering the understanding of and participation in the public debate of current issues;
- promoting accountability and transparency by public authorities for decisions taken by them;
- promoting accountability and transparency in the spending of public money; and
- other factors which may need to be taken into account when considering whether it is in the public interest for an exemption to be maintained.

Report authors must first identify if information falls within an exempt category and then apply the Public Interest Test. The Commissioner's Principal Governance & Compliance Officer must be notified so as to ensure that an appropriate exemption category has been identified and applied and to advise as necessary.

The Public Interest Test must also be applied at the relevant meetings when considering whether or not to move into closed session. The decision making body must be satisfied that, in all the circumstances of the case, the public interest in maintaining the exemption outweighs the public interest in disclosing the information and any resolution in connection with the matter should include words to reflect this.
