Dear Mr Dwyer,

REVISED POLICE AND CRIME PLAN

I am writing on behalf of the Panel's Chair to confirm formally that the Panel, at its meeting this afternoon, had no formal recommendations to make in relation to the revised Police and Crime Plan, which was supported unanimously.

The Panel are grateful for the opportunities that you have given them to comment on earlier versions of the draft Plan and for the amendments that you have made following the informal meeting held to discuss the Plan.

Yours sincerely.

Martin R Smith
